

VdS Schadenverhütung
confirms the application of a
**occupational health and safety
management system for**

Maschinsky & Krause GbR
Hohe Straße 30
D-02828 Görlitz

This certificate is exclusively valid for the occupational health and safety management system within the indicated scope. The present validity can be verified under www.vds.de.

This certificate does not include any information about the certification of a quality management system or a VdS approval of installers, security companies, products, procedures or similar. For this purpose separate evidence is required.

This certificate shall only be reproduced without any modifications and including all enclosures. During the entire validity of the certificate the occupational health and safety management system of the organisation shall meet the requirements of the certification basis. This will be examined by VdS Schadenverhütung at a regular basis.

Any advertising with this VdS approved occupational health and safety management system shall reflect the correct contents of the certificate and shall not violate the competition regulations.
